# About us

In today's business environment, ensuring 100% statutory compliance with various Labour Laws in India has become increasingly complex, especially due to the lack of skilled resources.

At **VEERAYEE HR INFOTECH SOLUTIONS PVT. LTD.**, we have a powerful, fully automated HR compliance tool that simplifies Labour Law compliance and empowers companies to manage compliance independently.

**[www.veerayeehr.com](http://www.veerayeehr.com)**

# PayRoll Services

We handle end-to-end payroll processing, ensuring accurate salary disbursement, tax computation, and payslip generation. Our service guarantees confidentiality, compliance, and timely payment to employees. We help you avoid payroll errors and save administrative time.

[www.veerayeehr.com](http://www.veerayeehr.com)

# PayRoll Compliance

We ensure your payroll is fully compliant with statutory laws like PF, ESI, PT, TDS, and labour regulations. Our experts manage filings, returns, and compliance documentation to protect you from penalties. Stay stress-free with our accurate and timely compliance support.

# HR Outsourcing Services

We manage your entire HR operations - onboarding to employee relations and exists. Our solutions reduce HR costs, improve efficiency, and free up your time to focus on business growth. Get expert HR support without maintaining an in-house team.

[www.veerayeehr.com](http://www.veerayeehr.com)

# Labour Law Compliance

We take care of all labour law obligations, including licenses, renewals, registers, returns, and audits. Our team helps you stay legally compliant across various central and state laws. Avoid legal risks and operate smoothly with our proactive compliance support

# Temporary Staffing Solutions

We provide temporary staff for projects, seasonal needs, or workforce shortages - quickly and compliantly. Our flexible staffing solutions help you manage costs and meet fluctuating business demands. Get skilled manpower without the long-term hiring process.

[www.veerayeehr.com](http://www.veerayeehr.com)

# HR Due Diligence Services

We audit your HR systems, policies, and compliance to identify gaps and risks. Our detailed reports help you strengthen HR processes and ensure legal readiness. Ideal for companies planning mergers, acquisitions, or internal improvements.
